The introduction this year of Scotty Cameron Putters, as the Men's first prize, by Hannaford's UPL agents, Wayne & Lindy George, has created much interest in and around the countryside with entries coming in quickly. A Scotty Cameron putter is well sought after by many golfers for its known quality. Quality & reliability is what Wayne & Lindy like to promote in their business.

There is also a 18hole Men's Stableford on Saturday afternoon sponsored by McKenzie Plumbing & Excavating.

So, golfers from across the country, get your entries in, come, stay & play starting on the **GreenTaylor Partners Day** on Thursday through to the **Drummond's Ballarat & Robert Smith & Co events** on Sunday, the final day. It is a fabulous chance to not only promote the Warracknabeal Golf Club, but also the Warracknabeal district & its businesses.

Members need to be aware a working bee [or 2] to put the final touches on the course, the surrounds & the clubhouse will assist to present our facilities at its best. Tidy HQ & word of mouth being the best way to know when this will happen during August.

Bar, catering, box duties, etc. all are aspects which members may assist with over the tournament so contact your committee members & offer in any of these aspects any time through the tournament. Thank you!!
