## **A MESSAGE TO ALL WHO INTEND TO COME TO THE GOLF CLUB FACILITIES!!**

**Double Vaccination is a MUST for any person coming onto the grounds of the Warracknabeal Golf Club.**

**Double vaccination and proving you are is important to you and others using the facility and our community.**

Please do not be offended by those who need to ask the question, 'May I see your proof of double vaccination please?' It is the Government's rules.

**MASKS are still compulsory** inside; outside they are not necessary unless social distancing isn't possible.

**If you need friendship or support, remember you have golfing mates who you can call for a chat or use your IT to make contact.**

Please read the posters at the clubhouse & on our social media sites. The Golf Australia website is worth a visit.

### **Golf Course**

The course is looking great as the rain continues to assist our summer grass kick into gear.

### **Course Maintenance**

A huge thank you to the many volunteers who assisted with the coring of the greens recently and we look forward to the greens returning to good condition over the next fortnight. The corings from the greens have been placed on the 6<sup>th</sup>, 10<sup>th</sup> & 11<sup>th</sup> holes which are GUR areas. Thanks to Nigel and Fred George for placing some santa anna squares at the end of the eleventh fairway to improve this difficult area. Fred donated these pieces and it is much appreciated.

Next will be the scarifying of the fairways in the next few weeks [Monday 15<sup>th</sup> Nov. possible date] which we expect will make a big difference to our fairways by the end of the summer.

### **Monthly Working Bee**

It is good fun and a great social outing which usually is rewarding in getting the jobs done.

**Next is on Sunday 7<sup>th</sup> November 9:00-11:00am.**

### **Annual General Meeting 2021**

A reminder we have our Annual General Meeting on Monday 22<sup>nd</sup> November 7:30pm.

If you are interested and keen on joining the committee, please put your nomination in.

We welcome nominations for the Committee.

### **Workshop improvements**

The workshop improvements were close to being finalised recently with volunteers Dean & Ryan [plumbers] checking and completing repairs to the roofs of the workshop area.

Thanks to John P & Jamie for their assistance on ground.

Next is to replace the rusted guttering which will finish the project. Project managers Roy Liersch & John Peters are very happy to see the project completed and with the volunteers who assisted in doing the upgrade.

Ryan & Dean also checked a number of sprinkler issues on course which is much appreciated.

### **Cool Room Upgrade**

Brian Coghill, Warrack Refrigeration, and Graham White recently replaced the motor of our main cool room as part of our investment to upgrade our equipment and facilities. It is working very well and it will be more efficient and save us money in the long run. We aim to be more energy efficient with much of our equipment.

### **Bowls**

Great to see the bowls season kick off and have plenty of action around the club. Good bowling for the season!!

### **Congratulations!!**

Congratulations to Carolyn & Mick Morcom on their new grandson, Patrick Michael. I'm sure they will both be very proud and happy grandparents!

Carolyn is our Junior coordinator and recently had an article in the Golf Australia newsletter about our juniors being involved in the program, 'My Golf'. Carolyn is doing a fantastic job with her team to provide opportunities for the young people of our area.

### **Posties Board Event**

The annual Posties Match play knockout board event has begun with members qualifying for the event last week. Many thanks to Gary Krahe & Alec Tasic for their sponsorship of this prestigious event.

The up-coming matches will be keenly contested.

### **Upcoming events:**

**Competition is back on and hopefully a return to our fixture program will continue on without interruption.**
